After completing a six month pilot program, High Impact Hosting is proud to announce a special pricing plan for chapters of the International Association of Administrative Professionals (IAAP). This plan will allow IAAP chapters unprecedented discounts in web hosting while still receiving first rate technical support that they have come to expect as administrative professionals. While not everyone has the luxury of a design staff, our team of designers and developers are ready to tackle any challenge that may be presented by your local IAAP chapter. Whether you are looking to simply re-locate your site, or if you would like assistance starting from the ground up – High Impact Hosting is your answer!

The IAAP package includes:

- 30 mb of storage space
- 4 gb of web transfer per month
- 5 email accounts (or one for each board member and your webmaster)
- Web-based email platform to send and receive chapter email (similar to yahoo mail or hotmail)
- 1 Mysql database
- FrontPage Support – upload your site from Microsoft FrontPage!
- A personal CGI-bin to run web-based applications
- Web Statistics on who is visiting your site, what pages they view, and where they are leaving to.
- Tech Support that is available via email, fax, phone, or instant messenger!

For pricing information on this exclusive offer to IAAP chapters, please complete the following form and fax it to 719-282-9841
